

Lunch

Lunch at Lasan is awesome! The person who cooks these delicious foods is Soeur Thu. She is the best chef in my opinion. Some of my favorites are soup, fried rice, and spaghetti. After lunch is recess.

Recess is the time people can play. Most people play Yu-Gi-Oh, a card game. But some people have to stay with Soeur Thu if they don't eat all their food. My Charlie or Charles challenges me a lot at Yu-Gi-Oh because we're always trying to see which of us is better. At the end, it's always a tie.

I hope I can go back to Lasan after the remodel to enjoy Soeur Thu's lunch once more. Again, lunch at Lasan is AWESOME!!!
